

Status of the Node “Interiors and Surfaces“

**Thomas Roatsch
8-October-2007**

DLR-IPR became a Europlanet member
(no longer associate)

Contract between Europlanet and DLR-PR in preparation

Contract will start November, 1th and will go for one year

Funding for node work was announced by M. Blanc

3 Science cases were defined

(presentation by E. Hauber tomorrow)

Science cases accepted by N2 (A. Coustenis)

Position for technical work announced

(person should start Nov., 1th)

Many technical questions:

- implementation templates
- implementation language
- which Database language to use
- interfaces to other nodes
- etc.
